Old Business

Personal garbage in the club cans has resolved.

New Business

Concern with the vehicle gate opening the wrong way since it was replaced. The way it swings now means you have to stand in the slippery mud when it's swung open enough to pass through with the vehicle. The gate also swings back towards the vehicle in SE wind. This presents a safety issue for people and vehicles.

A reminder that fire inspector has deemed our kitchen safe for reheating only. Concern raised that if we had a fire as a result of improper use of kitchen that we may not be insured.

Motion to adjourn by Dale Wright, 2nd Gary Johnson. Adjourned 7:21pm

Barrel Draw: Valerie Ferguson name drawn and she was not here to win \$10.00. \$20.00 will be available for the next meeting.

Next general meeting **Tuesday December14, 2021 7:00 pm**
