OLD BUSINESS

The runway is now closed and is being worked on.

New Business

New pilot in the club, Jordan Enns!

Dale Wright said he was accosted by a dog when he walked into the clubhouse. He had words with the flight instructor. Apparently, it was the student pilot's dog and he left it in the clubhouse while he was out flying. Dale wishes to apologize to the flight instructor. This is a reminder to all club members that if you bring a dog to the Flying Club you must have it under control at all times and be there with it. (ie. Leashed)

Ryan Formosa is proposed as a new member by Selina Smith and 2nd Tye Leishman. Carried. Welcome to the club.

Campbell River is going to charge a \$10.00 landing fee to all pilots when they land there. The club should draft letter opposing this fee.

Talk about a Wings and Wheels here in Powell River.

Talk about a barbecue when the runway is back open.

Discussion about big projects and funding...ie. Roof for the old hanger, paving in the new hanger.

Discussion about once the runway way is done maybe they could fix the pavement on the access areas while the crews and machinery are still on site.

Barrel Draw: \$10.00 Bert Gatien name is drawn but he was not here.
